The Alberta Veterinary Medical Association

The Alberta Veterinary Medical Association (ABVMA) is the professional organization governing the practice of veterinary medicine in Alberta under the authority of the *Veterinary Profession Act* (VPA). As a self-governing profession, the ABVMA performs its regulatory and professional enhancement functions in accordance with the law and in a manner responsible to the public of Alberta through the Government of Alberta, Ministry of Skilled Trades and Profession. The VPA and Veterinary Profession General Regulation can be located on the abvma.ca website under About the ABVMA.

Privacy Statement

The information in this directory is subject to the regulation of the *Personal Information Protection Act* (PIPA) of the Government of Alberta. ABVMA operates in accordance with this legislation and acknowledges our responsibility to provide appropriate and effective security and assurance of privacy with regards to personal information. The information in this directory is considered to be business contact information for members and is made available for public distribution by consent of the individual members.

ABVMA strives to keep the information in this directory as current as possible. The PDF directory provided on the abvma.ca website is updated on a more regular basis. Should you find information in this directory that is not current, please advise the ABVMA so that we can refresh our electronic database records.

Land Acknowledgement

The ABVMA represents veterinary professionals throughout the province of Alberta, who live and work on Treaty 6, 7 and 8 lands. We would like to acknowledge the numerous treaty lands encompassed throughout the province of Alberta. Alberta is the traditional and ancestral territory of many peoples, presently subject to Treaties 6, 7 and 8. We are grateful for the traditional Knowledge Keepers and Elders who are still with us today and those who have gone before us. We make this acknowledgement as an act of reconciliation and gratitude to those whose territory we reside on or are visiting.

Canadian Veterinary Oath

As a member of the veterinary medical profession, I solemnly swear that I will use my scientific knowledge and skills for the benefit of society.

I will strive to:

- promote animal health and welfare,
- prevent and relieve animal suffering,
- protect the health of the public and the environment, and
- advance comparative medical knowledge.

I will perform my professional duties conscientiously, with dignity, and in keeping with the principles of veterinary medical ethics.

I will strive continuously to improve my professional knowledge and competence and to maintain the highest professional and ethical standards for myself and the profession.

35-Year Member Certificate

The 35-year certificate recognizes ABVMA members, veterinarians and technologists, for 35 years of service to the veterinary profession, but who do not qualify for the existing ABVMA 35-Year Award, which is specific to those who have been a member of the ABVMA for 35 years. 35-year certificate recipients have met the application criteria to qualify their work in the veterinary industry over 35 years in various jurisdictions.

Registered Veterinary Technologists (RVTs)

The privilege of practicing veterinary medicine as an RVT is restricted by legislation to technologists meeting the criteria to be entered on the register of technologists maintained by the Alberta Veterinary Medical Association. Only such persons may refer to themselves as registered veterinary technologists or imply that they are to engage in the practice of veterinary medicine in this capacity.

- (G) General Practice Registered Veterinary Technologist: A graduate of an animal health technology or veterinary technology program accredited by the Canadian or American Veterinary Medical Association, and has passed the Veterinary Technician National Exam (VTNE) or a graduate from a non-accredited program, who has completed an assessment and passed an exam.
- (L) Limited Practice Registered Veterinary Technologist: A graduate of a non-accredited animal health technology or equivalent program, who has completed the ABVMA/ABVTA assessment process and their practice is limited to the species or category (small animal, large animal) and has passed the VTNE.
