## The Edmonton Association of Small Animal Veterinarians presents an IN-PERSON day of CE for DVMs & RVTs...

## A Cornucopia Of Important Veterinary Stuff with Daniel Joffe, DVM, DABVP (Emeritus) Canine & Feline Practice

This seminar is pending ABVMA & CVBC-approval for 6 CE credits; the recording will be available for streaming but this WILL NOT be live-streamed.

Date: Sunday, May 5, 2024

#### **Time:** 9 am - 4 pm

**Registrations & Breakfast:** 8:15 am - lunch will be provided. **Location:** Shaw Theatre, (Room X123) - NAIT Main Campus **Address:** 11762-106 Street NW, Edmonton, AB T5G 2R1

#### **Topics:**

#### **Raw Food Diets - The Science**

This 2- hour talk will look into the published data around raw food feeding. Peer reviewed data will be utilized to help guide clinicians and clients as to whether feeding raw food is appropriate.

#### **Canine Infectious Respiratory Disease Complex (CIRDC)**

This 1-hour talk will review CIRDC and offer some options for management, treatment and prevention.

#### Feline Diabetes - What is new & cool for cats

This 2-hour discussion will revolve around feline diabetes and include an entirely new family of drugs to be utilized in feline practice!

#### Mistakes I've Made & Stuff I've Learned

This 1-hour talk revolves around mistakes that I have made in various areas of practice. The goal is how to learn from our mistakes (we all make mistakes, after all).

### With thanks to our sponsor!

Daniel Joffe, DVM, DABVP

Dr. Danny Joffe graduated from the WCVM (with Great Distinction) in 1985 and completed a small animal medicine and surgery internship at the Cornell University in 1985-86. Dr. Joffe entered private practice and opened the Landing Animal Clinic in Calgary in 1989, practicing there until 2020. He was a founding partner of the Calgary Animal Referral and Emergency Centre and was the Medical Director at this 22-doctor facility until the fall of 2020. Danny became the National Medical Director for VCA Canada in 2012.

He completed his board certification by the American Board of Veterinary Practitioners (Canine/Feline Specialty) in 1992, becoming the first practicing veterinary specialist in Alberta. He has recertified this specialty via examination in 2000 and 2010 and was recently granted Emeritus status by this specialty group. Dr. Joffe is a Past President of both the Alberta Veterinary Medical Association and the Canadian Academy of Veterinary Dermatology and is a Clinical Instructor at the University of Calgary Faculty of Veterinary Medicine.
