Dr. Marilyn Dunn

DMV, MVSc, ACVIM, Fellow IR

Professor & Director of interventional medicine
Faculty of Veterinary Medicine
University of Montreal
St. Hyacinthe, Quebec, Canada

Dr. Marilyn Dunn graduated from the Faculty of Veterinary Medicine of the University of Montréal in 1994 and completed a one-year internship at the same institution. She completed a residency in small animal internal medicine, a Master's degree at the University of Saskatchewan, and became board certified by the American College of Veterinary Internal Medicine in 1999.

After 2 years in a private practice, she became a professor in internal medicine at the University of Montreal. In 2008, she completed a Fellowship in interventional radiology and endoscopy at the University of Pennsylvania.

She is a founding member and past president of the Veterinary Interventional Radiology and Interventional Endoscopy Society (VIRIES) and directs the interventional medicine service at the University of Montreal. She is a founding member of the American College of Veterinary Nephrology & Urology and is a current IRIS Kidney board member.
