

Nutritional Innovations in Mobility and Application to Senior Pets.

It's no surprise that aging pets have specific nutritional requirements. How can we be proactive in addressing cognitive dysfunction, early kidney disease and osteoarthritis? Come join us to discuss nutritional solutions that are available.

Speakers: Dr. Meaghan Berdini, DVM

When: Tuesday, September 11th, 2018

6:30PM – 7:00PM Check-In & Dinner

7:00pm – 9:00PM CE Presentation

Location: SHERATON RED DEER HOTEL 3310 50 Avenue Red Deer, Alberta T4N 3X9
