CLASSIFIED ADS, CONTINUING PROFESSIONAL DEVELOPMENT (CPD) AND LIBRARY

ABVMA is excited to announce some updates to the ABVMA Members' Magazine.

Starting in 2024, the ABVMA Members' Magazine will be produced quarterly, with issues released in January, April, July and October. The magazine will still be available in print and digital format.

The other major change is that the Continuing Professional Development and Classified Ads section will no longer be published in the magazine and will only be available online.

ABVMA is excited that these changes present opportunities to create a robust, sustainable publication for members.

NOTE: ABVMA members purchase classified ads and gain CPD approval for CPD events through their member portal. Please log in and click on 'Purchase a Classified Ad' or 'CPD Approval for your Organization's CPD event'.

For non-ABVMA members and guests, the first time you use this website you will create a guest profile using 'Create Guest To Purchase Classified Ad or For Continuing Professional Development Approval' to create a guest login account. After registering you will see your Guest Portal which shows buttons for 'Purchase a Classified Ad' and 'CPD Approval for your Organization's CPD event'. After you have created your guest profile, you can log in any time using the 'Member Login' to purchase classified ads or apply for CPD approval for your organization's event.

Click [Classified Ads Directory](#) to see the current listing of classified ads or view the [Classified Tutorials](#) prior to placing an ad.

ABVMA Bylaws Review – Member Consultation

The passing of Bill 13 in May 2016 and the subsequent coming into force of amendments to the Veterinary Profession Act (VPA) and Veterinary Profession General Regulation (Regulation) in February 2017 necessitated a review of the ABVMA Bylaws to ensure compliance.

Here you can view past invoices and/or due invoices.
